PLEASE TAKE FURTHER NOTICE that on [July 30 / July 31], 2020, the Court entered an order [Docket No. ____] (the “Order”),² approving, among other things, the proposed Assumption Motion, including the Assumption Procedures set forth in the Motion.

PLEASE TAKE FURTHER NOTICE that pursuant to the terms of the Order, the Debtors are hereby providing notice (this “Notice”) of the proposed Assumption Amounts to each non-Debtor counterparty to the Subject Contracts and Leases (individually, a “Counterparty” and collectively, the “Counterparties”), as set forth in the attached Schedule 1. Pursuant to the terms of the Order, unless a written objection (an “Objection”) is filed and served in accordance with the terms of the Assumption Procedures contained therein, the applicable Counterparty shall be deemed to have consented to (i) the Debtors’ assumption or assumption and assignment of the Subject Contracts and Leases, in the event the Debtors elect to assume or assume and assign such Contract or Lease by listing it in the Plan Supplement on or before September 1, 2020 or otherwise seeking assumption pursuant to a separate motion, and (ii) the Assumption Amount proposed by the Debtors in the attached Schedule 1 with respect to the Subject Contracts or Leases and shall be forever enjoined and barred from (y) objecting to the ability of the Debtors to assume or assume and assign the Subject Contracts and Leases for any reason, including any grounds that could have been raised under section 365 of the Bankruptcy Code, and (z) seeking any amount other than the Assumption Amount on account of the Debtors’ assumption of a Subject Contract or Lease under section 365 of the Bankruptcy Code or otherwise, from the Debtors, their estates, the Reorganized Debtors or the Consenting Stakeholders.

PLEASE TAKE FURTHER NOTICE that with respect to any Assumption Amount listed in Schedule 1 attached hereto, the Assumption Amount will be paid *only if* the Debtors elect to assume or assume and assign the Subject Contract or Lease. In the event the Debtors elect to assume or assume and assign such Contract or Lease by listing it in the Plan Supplement on or before September 1, 2020 or pursuant to separate motion, the Assumption Amount will be paid on the Effective Date of the Plan, or as soon thereafter as practicably possible, or on such other terms

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Order.

as the Counterparties may otherwise agree. **NOTHING CONTAINED HEREIN IS AN AGREEMENT TO REJECT, ASSUME OR ASSUME AND ASSIGN YOUR CONTRACT OR LEASE.**

PLEASE TAKE FURTHER NOTICE that the Debtors are continuing to make payments on postpetition liabilities under the Subject Contracts and Leases that come due in the ordinary course of business. To the extent any such payments may affect the Assumption Amounts listed in **Schedule 1**, the Debtors reserve their rights to modify the Assumption Amount provided that they provide the affected Counterparty with at least twenty (20) days notice of any such modification.

PLEASE TAKE FURTHER NOTICE that the Debtors have also entered into various trade agreements and settlements with certain of the Counterparties that may have included an estimated amount owed on the applicable Contracts or Leases. The Assumption Amounts listed on **Schedule 1** hereof shall supersede and control any such amounts listed in prior trade agreements or other settlements entered into by the Debtors and the applicable Counterparty.

PLEASE TAKE FURTHER NOTICE that any party asserting an Objection, whether or not such party previously has filed a proof of claim with respect to amounts due under the applicable agreement, must file and serve such Objection, in writing, by no later than **August 21, 2020** (the “**Objection Deadline**”) setting forth with specificity: (i) the basis for any objection to the Assumption Amount listed by the Debtors, which Objection must set forth the amount that the Counterparty contends that the Debtors must pay to assume or assume and assign the Contract or Lease; (ii) the basis for any objection to the ability of the Debtors to assume or assume and assign the Subject Contracts and Leases, including pursuant to section 365(c) of the Bankruptcy Code; (iii) the basis for any objection to the Debtors’ ability to provide adequate assurance of future performance under the Subject Contracts and Leases as required pursuant to section 365(b) of the Bankruptcy Code; (iv) any and all bases on which the objecting party asserts other or additional monetary amounts are required to be paid if the Subject Contract or Lease is assumed or assumed and assigned pursuant to the Plan; and/or (v) the grounds for any other objection that may be raised under section 365 of the Bankruptcy Code or other applicable law to such assumption or assumption and assignment.
